What's On

Hi All,

WOW, April was a massive month for the club with 3 x events being held and the month of May has a great cause to support, please come along and have some laugh's with other members.....get your "boobs out boy's".

As this is my last newsletter for the club I would like to acknowledge it has been a great time being involved in the club at the "coal face" and I have enjoyed the laugh's along the way and have gained great friends because of this. I also would like to welcome the new members of the committee on-board and congratulate David Thompson on his appointment to club president and wish everyone all the best in their new roles with the hope that everyone can support them in any way to help "lessen the load".

See you all on the up-coming "run's".

Regards,

Gareth.

21st May - Club Run, "Pink Ribbon Fundraiser"

May's run is a Pink Ribbon fund raiser on Sunday 21st, donation is a minimum of \$5 per car with 100% going to the NZ Breast Cancer Foundation .

Everyone is to come in their best pink outfit with a prize for the best dressed man and woman. So get into the theme and pimp (or should that be pink) your ride as there will be a prize for the best.

Guys for you we have a best decorated bra competition, so get your creative juices flowing and get decorating for you to showcase in the fashion line up. Don't worry we have something planned for the ladies in September for blue September!

We will be meeting at BP Tauriko for a 10am start. There will be an activity to kick the morning off then we will cruise to a cafe for lunch.

RSVP is essential by 12 May to the club email so some paperwork can be filled out for each car. This is a great cause so come along and help us support it.

Regards, David & Vanessa

National Mustang Day Run 17th April

National Mustang Day

We all meet at the Bethlehem Hall in preparation for our "mystery run", the weather to the coast looked nice while the black clouds over the Kaimai Ranges weren't as favourable.....fingers crossed we weren't heading over the hill?

Our destination was revealed with a quick briefing and we were off to the Bowentown camp ground for a park up and a picnic lunch.

22 Cars cruised the highway to Bowentown and we were meet at the gate by Gillian and her lovely smile. We all set up our chairs and got stuck into lunch, the usual banter was flowing and good times were had. A couple of new club members had joined in and kindly gave us a quick run down on their cars and themselves.....welcome to the club and we hope to see you more often.

Happy Birthday Mustang!

Regards, Gareth

ANZAC Run - Katikati.

ANZAC Run

LEST WE FORGET.

Well I think some of our dub members did forget as there was only a small turn out of BOP dub cars on this run. Thanks to dub members who came all the way from Rotorua and Te Puke. Maybe it is too soon after the National Mustang run and perhaps we should combine the two for next year?

Debra and I left home and headed to Bethlehem, the sun was shining so we hoped we were in for a good day. At the Bethlehem Hall, we met up with our 5 dub cars, a couple of new members, an Auckland member and some prospects in a 65 convertible who were interested in what the dub had to offer.

We headed to Sapphire Springs Hot Pools. There we met up with the Waikato dub and headed up to the pool area. The Auckland dub had already arrived so we had a bit of a catch up and checked out some of the cars.

The BOP dub set out the games, which is a big part of this event. Thanks to all that helped and also made up the Bay team. The games went off really well, lots of laughs and cheering on your teams.

There are lots of photos on our facebook page which you can find at (you don't need a facebook account just google) www.facebook.com/pg/BOPMustangOwnersClub this is managed by David & Vanessa.

After the games the best performing dub trophy was awarded to Auckland for gaining top points. We then sat down for our BYO picnic lunch and down came the rain, we all huddled under the B-B-Q shelter.

All in all a great event and something we can be proud of as the BOP Mustang Owners Club is a strong dub and other clubs respect that.

Regards, Graham

AGM - Presidents Report

AGM Presidents Report

The Annual General Meeting held last Sunday heralds another new club year. It was good to see new members attending the meeting and taking an interest in the club and its future. It is great that several new members have joined the club committee and taken on roles newly vacated. The club has been fortunate to have had a stable committee with the core of the team relatively unchanged for the last few years but that cycle has come to an end with the majority of the committee stepping down. Gratitude is extended to all the outgoing committee members and the executive officers for the hard work done and their continued support of the club. It is my pleasure to introduce the new committee:

President	David Thomson	07 332 3600
Vice President	Duncan Counsell	07 577 1488
Editor	Gary Frederiksen	07 574 1187
Run Coordinator	Dave Flett	07 543 2143
Clothing Coordinator	Maree Frederiksen	021 988 785 mgfred@xtra.co.nz

Brenda Fitzpatrick
Rusty McGowan
Phil Roper
Denis Street
Diane Thomson
Vanessa Thomson

At this stage the Secretary/Treasurer position is vacant, so if you are keen to get involved and have some basic book keeping and office administration skills the committee would love to hear from you. Expressions of interest should be lodged with either Duncan Counsell or myself. This is a voluntary position and only open to club members.

As with every other year annual membership subscriptions are due as of 1 April. There is a small increase this year with the annual sub now \$50 for a family membership.

We are always looking for new club run ideas, if you would like to host a run or you just know something of interest that would make a great day out, contact the club Run Coordinator Dave Flett, Ph. 07 543 2143. Dave can help with tips to make your day successful.

Maree Frederiksen is the new clothing coordinator. To order club clothing Maree can be contacted on 021 988 785 or email mgfred@xtra.co.nz

EBOP Classic Car Breakfast

EBOP Breakfast

Our next eastern bay of plenty classic car breakfast is on this Sunday the 7th of May at the Red-Barn Cafe in Whakatane. After all the bad weather, this region has been hit hard. Many people have lost many or all of their belongings and homes. Due to this damage we would like to have a bucket collection and also run a raffle to raise money for the flood victims of Edgecumbe. Please come along and donate to this cause so we can help those in need. Please spread the word and help those who need it while enjoying the cars.

Check it out on,
