The new committee has put together a questionnaire to check that they are providing information and runs etc that are what the members want. Please fill in and return to bopmustangclub@gmail.com or mail to Bev Thomas, PO Box 4441, Mt Maunganui.

Whakatane Run May

What a fantastic turnout we had on Sunday for our run to the Whakatane Fishing Club. Although the weather was not promising 17 cars rolled up to Baypark and then we collected 2 cars at Te Puke, 1 at Matata and another 2 at Whakatane - and over 40 members and family for lunch. The club always turns on a great meal so a great annual event. Dave Sells won the \$25 petrol voucher plus the Dip Stick award (not sure what that was for) I think it was more that Kevin Thomas wanted to get rid of it and Dave was the closest!!!!!!

Let's hope we get as many for our next run on June 23rd - Drift Kartz @ the Indoor Go Kart Centre @ Rotorua. Details to follow shortly.

Club Members enjoying the Sun

Great to see so many out enjoying the day, from old members to new!

Great news we now have Swan Insurance sponsoring a trophy and prize pack for the cart day on the 23rd June. The day will now be known as the "Swan Insurance Cart Day". We plan to make this an annual event and have the trophy and prizes from Swan Insurance to present.

The other good news for those that don't already know Swan gives club members a 20% discount (and the club 5% referral) for each policy that a member takes out.

For example;

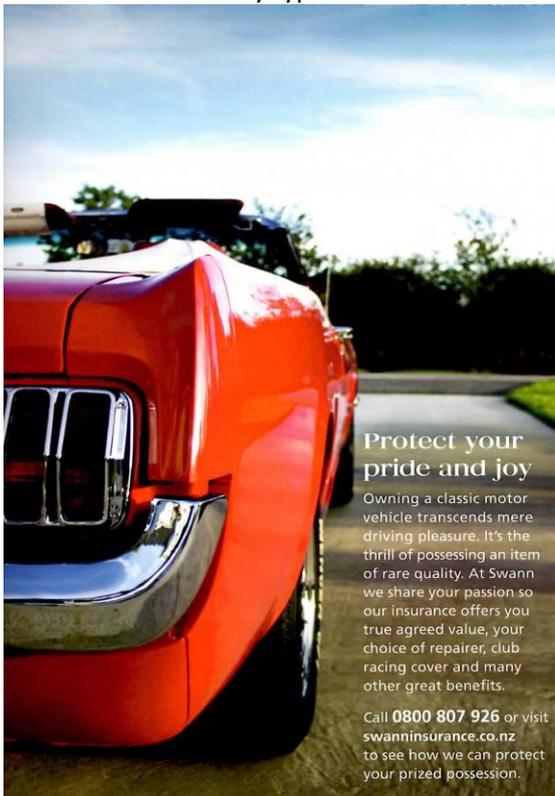

As a guide the following is the premium for 2 cars of the same value to show how the additional vehicle rates work.

Please note the club discount does not come off the additional rates just the main vehicle.

1966 Mustang FB \$50,000.00 \$509.00 per year, less club discount \$407.00 per year.

Second car 1967 Mustang NB \$50,000.00 additional rate \$334.00 per year.

The policy always has the highest value vehicle as the main vehicle on the policy which the discount is applied too, all other vehicles become additional to this. We can include Motorcycles and classic Caravans in policies. We are unable to cover family type cars or cars driven every day.
